# International Conference on Achieving Holistic Health through Ayurveda along with Advanced Technologies

23<sup>rd</sup> To 25<sup>th</sup> February 2023

Venue University of Patanjali, Haridwar, Uttarakhand, India

**Sponsored By**  
Ministry of AYUSH  
New Delhi, India

**Organized By**  
Centre of Excellence  
Patanjali Ayurved Hospital  
Haridwar, Uttarakhand, India

**In Association with**  
Patanjali Research Institute  
& University of Patanjali  
Haridwar, Uttarakhand, India

## About the Conference

Based on the idea that an imbalance or stress brings illness to a person's consciousness, Ayurveda promotes various lifestyle changes and natural medicines to restore harmony between the body, mind, spirit and environment. The three-day **International Conference on Achieving Holistic Health through Ayurveda along with Advanced Technologies** which will be held in Haridwar, Uttarakhand, India, on February 23-25, 2022, in a **hybrid model** that will include both offline and virtual sessions. The conference focuses to amalgamate ancient wisdom with the latest technologies to create effective and natural therapy-based solutions for the contemporary health and nutritional needs of human beings. This event is sponsored by the Ministry of AYUSH under Ayurswasthya Yojana and organized by Centre of Excellence, Patanjali Ayurved Hospital in collaboration with Patanjali Research Institute & University of Patanjali, Haridwar, India. We aim to provide a common platform for Ayurveda experts, Scientists, Research scholars and Big Data enthusiasts to brainstorm possible ideas and immense opportunities in the field of Herbal medicine.

## About Patanjali Ayurved Hospital

Patanjali Ayurved Hospital is well-equipped hospital having various medical and healthcare service departments like Pathology, Counseling with facilities like OPD, IPD, Dental, Pathology, X-Ray, USG, ECG and Panchkarma. The hospital services are free for helpless, poor & orphan people and is providing low cost services to general public. Highly qualified and experienced Vaidya's has been appointed to provide quality service to the patients. The Hospital is equipped with modern laboratories and other necessary facilities for patients. Recently, it has been recognized as 'Centre of Excellence' by Ministry of Ayush under AYURSWASTHYA YOJANA in April 2022.

## About Patanjali Research Institute

Patanjali Research Institute (PRI) is committed to creating a better society and country, with Nationalism, Ayurveda, and Yoga as its main pillars. PRI is ready to assist individuals by bringing nature's blessings into their life, raising the world's pride and glory. PRI is ready to write a new success story for the world with its unwavering commitment, scientific framework, effective strategy and realism. Ayurveda is one of the oldest Indian medicinal systems. Ayurveda is a holistic approach to health and treatment based on nature. PRI's mission is to make India an ideal platform for the development and promotion of Ayurveda, serving as a role model for the rest of the globe. The scientists at PRI have scientifically validated a vast number of formulations. For instance, during the SARS-CoV-2 pandemic PRI developed Coronil, an evidence-based anti-SARS-CoV-2 formulation that includes extracts from *Tinospora cordifolia*, *Withania somnifera* and *Ocimum sanctum*.

## About University of Patanjali

The University of Patanjali (UoP) is a premier university of higher education in the country that was founded by Act No. 4/2006 of the Uttarakhand State Legislature, published in the State Gazette on 05.04.2006 to play the lead role in bringing new and superior dimensions to the philosophy and practice of Yoga, Ayurveda and Indian culture within the country and across the globe. The University is blooming under the blessings and guidance of revered Yog Rishi Swami Ramdev Ji and Ayurveda Shiromani Acharya Balkrishna Ji, who have given the revolutionary call of 'Back to Nature'. UoP is making steady progress toward achieving its goals of the preparation of global citizens by bringing together the Vedic knowledge and the modern sciences, who would be equipped with diverse skills, in tune with international standards and inspired by sattvic (righteous & ethical) karma (conduct & practices) and spiritual intuition.
